Core Competencies

IT Infrastructure

Enterprise network engineering, system administration, and infrastructure modernization for federal and DoD environments.

Cybersecurity

Comprehensive cybersecurity assessments, compliance, and security operations aligned to NIST, RMF, and CMMC frameworks.

Cloud Services

Secure cloud architecture, migration, and operations across AWS GovCloud, Azure Government, and hybrid environments.

Telecommunications

SATCOM, unified communications, and tactical network solutions for defense and federal agencies.

Electronic Warfare

EW planning support, spectrum management, and electromagnetic environment operations for DoD missions.

Counter-UAS

Counter-unmanned aircraft system solutions including detection, identification, tracking, and defeat capabilities.

NAICS Codes

Code	Description
541512 (Primary)	Computer Systems Design Services
541511	Custom Computer Programming Services
541513	Computer Facilities Management Services
541519	Other Computer Related Services
541690	Other Scientific and Technical Consulting Services
517111	Wired Telecommunications Carriers
517112	Wireless Telecommunications Carriers
334511	Search, Detection, Navigation, Guidance, Aeronautical, and Nautical System and Instrument Manufacturing

Differentiators

- Veteran-Owned Small Business (VOSB)
- Active Secret and above available
- CONUS and OCONUS support capability
- NIST, RMF, and CMMC framework alignment

Relevant Experience

DoD Network Infrastructure Modernization

IT Infrastructure — Department of Defense

Led network infrastructure modernization across multiple DoD installations, migrating legacy systems to STIG-compliant architectures with improved performance, segmentation, and monitoring capabilities.

Federal Cloud Migration to GovCloud

Cloud Services — Federal Civilian Agency

Architected and executed migration of on-premise workloads to AWS GovCloud, achieving FedRAMP compliance while reducing infrastructure costs and improving system availability.

Cybersecurity Assessment & RMF Support

Cybersecurity — Department of Defense

Conducted comprehensive cybersecurity assessments and provided RMF support for multiple DoD information systems, resulting in successful ATO achievement across all evaluated systems.

Certifications & Set-Aside Programs

Certifications

Veteran-Owned Small Business (VOSB)
SAM.gov Registered
NIST 800-171 Compliant

Set-Aside Programs

VOSB (Veteran-Owned Small Business)
Small Business Set-Aside
